WRITTEN BY

Shane Hegwood

During Christmas, 2008 Shane Hegwood was inspired to write the script for "Christmas with the Christian Channel." You can tell that Shane had been watching "The Weather Channel" too long! This telling of the Christmas Story definitely shows a knowledge of it's inner workings. Dr. Dan, Bro. Paul, our students and the media team thought it was a great project and assisted Shane in numerous ways. It is our prayer that this presentation of the Christmas story will be fresh and new and will be a highlight of your Christmas celebration.
